

Keith Country Day School Volunteer Sign-Up

Please Return to the School Office

Parent involvement helps make Keith Country Day School a great place for students! We have many different opportunities throughout the year for parents to volunteer their time. If you are willing and able to volunteer your time, please mark the appropriate selections that interest you. We will contact you at a later time with further information and let you know how you can make your child's years at Keith an enriching experience.

LS = Lower School
